

EDT5017 – EDUCATIONAL VIDEO

Week 6 – 11.04.2023

Mustafa COŞKUN

mustafa.coskun@ou.bau.edu.tr

AGENDA

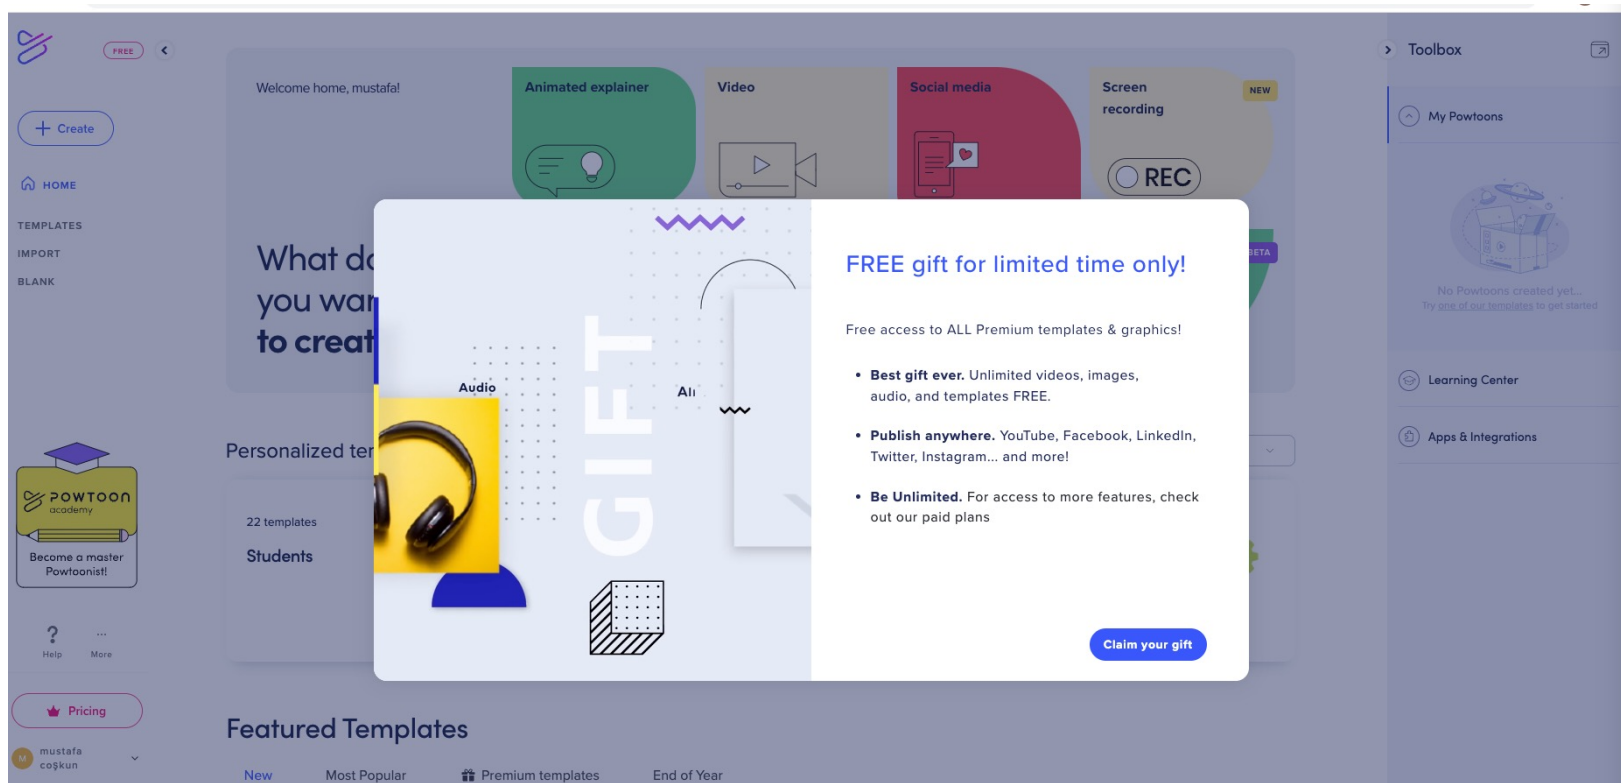

Project1:

- for the ones who could submit yet, you can submit your project anytime to itslearning
- please inform me via email if you have any problem with itslearning, teams etc.

Project2

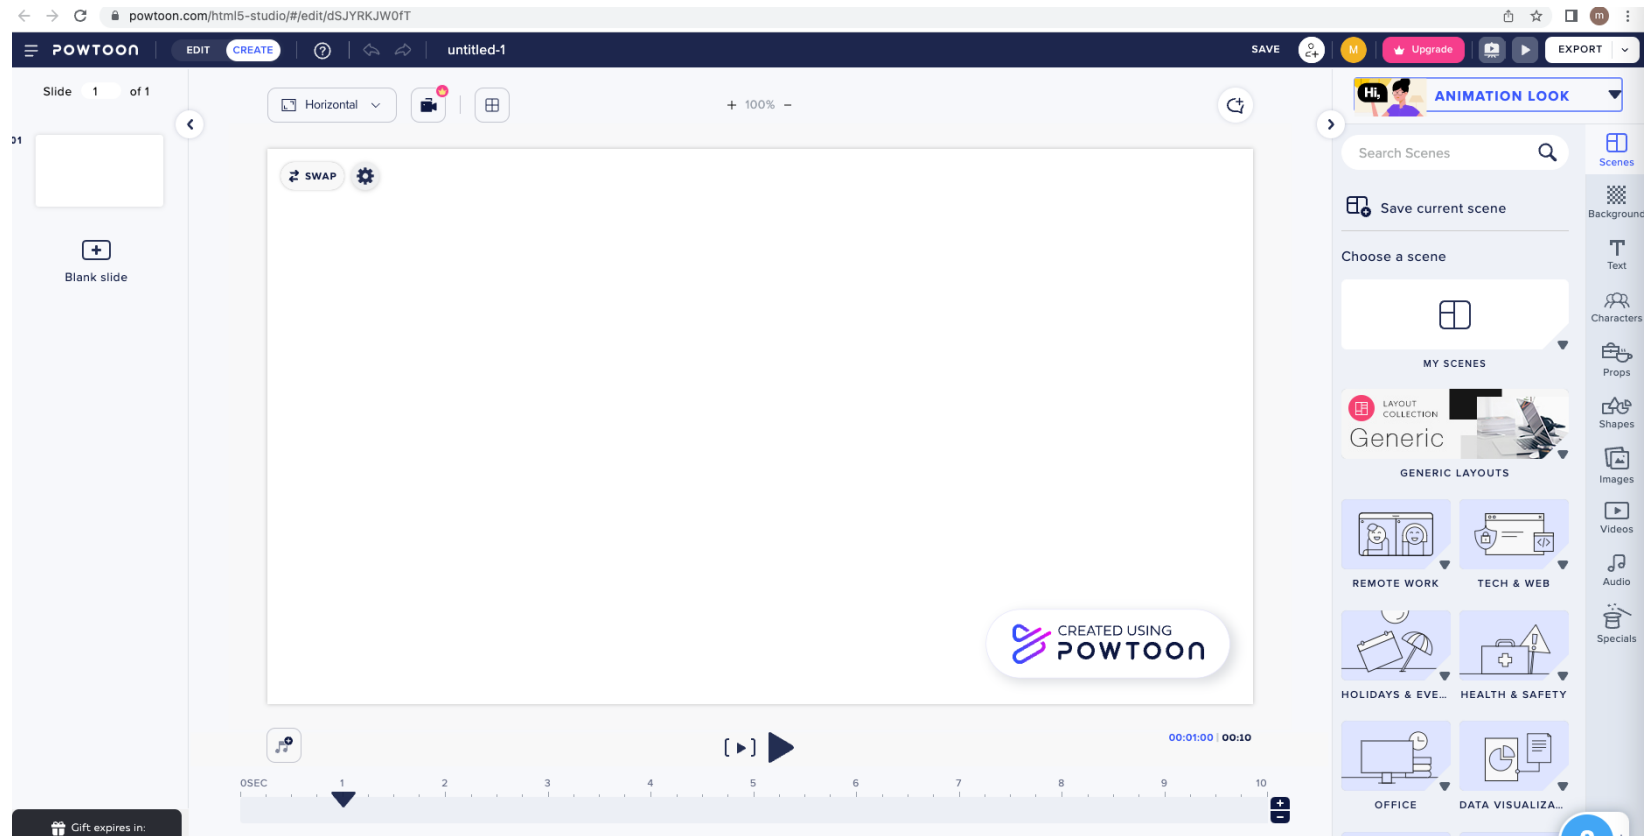

Powtoon

animation video making online tools

When you signed up to Powtoon, you will have Premium features for 4 days. But please don't forget that after 4 days whenever you publish smth. It will have watermark if you used pro-objects in that video.

This is the studio screen

Next week we will cover

- animation
- characters
- timeline usage

Also,

please check out the Project in itslearning platform and keep your questions for the course hour.
